ACCUSED OF BIGAMY

HUSBAND MAKES SERIOUS CHARGE AGAINST WIFE.

Special Correspondence of The Star. ROCKVILLE, Md., April 14, 1908. Mr. George Tyler, for many years e resident of Woodburn, D. C., appeared before a justice of the peace here yesterday afternoon and swore out a warrant for the arrest of his wife. Mrs. Rose Ty ler, who about a year ago deserted Tyler and her seven children, and who, after a iong search, was this morning discovered by her husband, it is alleged, living near Wheaton, this county, as the wife of James Hudson, who is in the employ of a Mr. Fox. The woman left home ostensibly to seek employment, it is declared, but her whereabouts was a mystery until this morning, when her husband accidentally learned of her presence near Wheaton. He went to Hudson's home and learned from both Hudson and the woman that they were married in Alexandria eight months ago. He then pro-ceeded to Rockville and had the warrant issued. He declares he will visit the Virginia city and institute proceedings to चेन्द्रेक्ट्र have his wife prosecuted for bigamy The discovery that he had married another man's wife is said to have completely dumfounded Hudson, who stated that he married the woman in good faith, believing her to be a widow as she repre-

In speaking of the case here yesterday Tyler stated that he knew of no reason why his wife should have deserted her family. He married her, he said, twentythree years ago, and they had never had any very serious differences. He explained that the realization that his wife had deserted him at first fairly crushed him, but he had recovered from the effects and now had but one desire concerning her, and that was to place her where she would not soon have a chance to fool another man. He said he did not blame Hudson, believing the woman grossly de-The Tyler children range in ages from
